“There was a spare Jamster and I couldn't get rid of it without messing things up. Justin figured it out, but the real Jamster didn't have a face for a while as a result. Spare Jamster is evil.”

So with an experience there's a story here it is.

The Curse of Spare Jamster.

There was a hamster named Jamster, he was racing his days away in Gizmo Go-Kartz. Then One Day.... He appeared. It was Spare JAMSTER. He was removed but still haunts the game to this day. Here is an accurate depiction of what he looked like. Prepare your eyes.
